

A word cloud shaped like the map of the United States, featuring the words 'alpha', 'beta', 'gamma', and 'delta' in various sizes and colors (yellow, orange, and brown). The words are arranged to fit the geographical outline of the country, with 'alpha' and 'beta' being the most prominent in the larger, more populated areas, and 'gamma' and 'delta' appearing more frequently in the smaller, less populated areas. The colors transition from yellow in the center to orange and then to brown towards the edges, creating a sense of depth and highlighting the density of the words in different regions.

A word cloud visualization of the Greek letters alpha, beta, gamma, and delta. The words are arranged in a circular pattern, with 'beta' and 'delta' being the most prominent, followed by 'alpha' and 'gamma'. The colors are orange, yellow, and white.
